CONNECT TO BLUETOOTH AUDIO

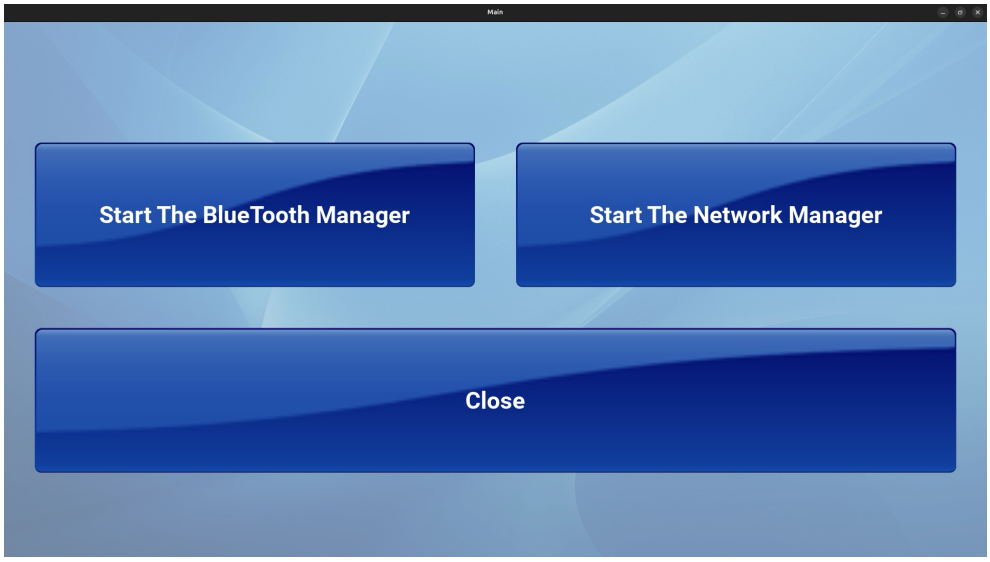

To Open the HELPER PROGRAMS

At the main screen **"CHOOSE A GROUP",** tap five times in the **bottom right corner** of the BTP

- Choose **Start helper programs**

- Choose **Start the Bluetooth Manager**

- Start up your audio device and open the Bluetooth connection

- Scan for Bluetooth devices choosing '**Find BT devices'**

- Choose the Bluetooth audio device you want to connect to, it will highlight green
- The audio will then be controlled via the Bluetooth device
- Close
- The BrainTrainerPlus will restart itself

Troubleshooting:

- ensure there are no other devices connected to the Bluetooth speaker
- Choose **Reset BT adapter** to disconnect from all devices
